

Court/Custody Policy

HMHA's therapists and physicians will not participate in any custody cases or any case that requires a court appearance. Should any lawyer of our patients or any other lawyer subpoena our therapist/physicians, our fee for appearing in court is \$2,500, paid in advance.

Should the fee not be paid in advance, HMHA will take legal action to recover the fee plus any accrued court costs.

Thank you for understanding our Court Custody Policy. You will be asked to sign a Consent for Treatment and Certification of Obligation for Payment of Balances Due form attesting that you have reviewed and understand the information contained in this document. Your signature on that form indicates your understanding of this policy and that you agree to its financial terms.
